

Parish Council Mission Statement

Created by God the Father, reconciled through Jesus Christ, His Son, and empowered with the gift of the Holy Spirit, we are united through Baptism, Confirmation, and the Holy Eucharist to serve our parish community and the greater local community in union with our Pastor that we might further the mission of Christ and His Church. This service includes prayerfully listening to the Holy Spirit, discerning, and implementing His will to the best of our ability and encouraging our parishioners to be welcoming, trusting, healing, serving, worshiping, enriching and generous stewards of the Lord's manifold gifts of mercy and grace to others.

Parish Council Minutes September 13, 2017

Father David opened the meeting with prayer requests and a Decade of the Rosary.

The Parish Council welcomed four new members representing St. Mary's parish at the September 13th meeting in Havana. We now have representation from all three parishes on our council.

The council mission statement was read and background information on the Stewardship Ministries was presented to new members.

The St. Mother Teresa Society is moving forward and requests for assistance have been received. A flyer was prepared by Sue Strauman and Cheryl Stinauer to be distributed throughout our communities to explain services offered to those in need.

In the near future, a meeting will be held for the chair people of all ministries to explain procedures and to answer questions.

The council is reading "Rebuilt, The Story of a Catholic Parish." It offers many ideas on revitalization of parishes.

The meeting closed with Lectio Divina. The next meeting will be October 25 at 5:00 pm in Havana.
